November 1st, 1977

Dear Prof: Dr. R. Wyburn-Mason;

Please kindly correct, maybe it is true but I have some doubt on the last sentence 4). Page II.

Translation is already in the hand of Publisher and promised me may be finished within the November, this year.

That U.S. Reporter called you the same night I called you? I hope you told him that my name must not in his report.

This morning our publisher brought and ask me to send the same copies we sent to you. It is very fortunate enough and please go over immediately and send back to me as soon as possible. After of all, these references are a very important and valuable one.

Just about when your article (new) in the Lancet? I am planning apply to the Japanese Patent Bureau just we did as Clotrimazole. This time we wish to an ample time for preparation. In Japan, Messrs. Shionogi importing from the United states (SEARL), and treating the vaginal trichinosis.

I may call you on phone coming Wednesday night (about 8 evening.

Dr. T. Koba, M.D.
